STAGE PADEL

THE CLUB

One Padel is the new benchmark for padel clubs in Valencia, offering first-class facilities, unique experiences and a community that is passionate about the sport.

With 15 exceptional courts, an exclusive bar and a panoramic terrace, One Padel is redefining the way we experience and enjoy padel in the city.

THE CITY

Valencia is Spain's third-largest city and offers something for everyone. The city combines historic and modern culture. In the old town (El Carmen), you'll find a Gothic cathedral, a modernist food market and numerous bars with cosy terraces.

The modernity of the city of arts and sciences, the sunny climate and the wide beaches are the ideal combination for a superb getaway... and a really good paella.

PROFESSIONAL COURTS

For us, the customer experience is paramount. The state-of-the-art courts allow you to play in the best possible conditions.

The court lighting is ideal to avoid glare, and Premier Padel's Mondo turf prevents injuries and uneven bounces.

One Padel offers a choice of grass colours. The blue of Premier Padel, the black of Master Final or the red of Ar Padel? There's something for everyone. Indoor and outdoor courts.

ONE PADEL

"The courts and facilities are incredible. I've been to a lot of clubs in my life and I've rarely seen anything like it."

Tolito Aguirre,
professional player invited to the inauguration
